

The Monsignor J. A. Wagner Building Sub-contractor Awards Announced

After Schickedanz Construction was chosen as the General Contractor for our new multi-purpose building, many sub-contractors were invited to bid on portions of the project. The Pastor, Finance Council President, General Contractor, and other parish advisors seriously considered all bids received and we are pleased to award contracts to many local businesses and parishioners. The bidding and selection process and approval through the Diocese took longer than we had hoped. At this time, we plan to begin the project late this summer/early fall. A groundbreaking ceremony will be announced in the near future.

Area	Contractor	Bid Awarded
Site Work – Excavating	Jordan Wilkens	
	Doug Walljasper	
	Blue Top Excavating	*
Concrete Work	JJD	*
	Jones Construction	
	Jesse Gregory	
	Baker Concrete
